

## **PATIENT SAFETY DOCUMENT**

All patients and employees of PAIN MANAGEMENT CENTER OF LONG ISLAND are encouraged to speak up about patient safety. If you see anything here that raises a concern in your mind about the safety of our patients, please talk to Dr. Neil Kirschen, Dr. Robert Iadevaio, or a member of our staff. Your concerns are taken seriously.

After speaking with one of us, you may pursue your concerns further by calling The Joint Commission at 1-630-792-5000.

This office is an outpatient surgical facility credentialed by the Joint Commission and respects its ideals.
